

# Ravensworth CE Primary School Newsletter

Friday 27<sup>th</sup> September 2013

Dear all,

A very brief newsletter this week I'm afraid, the day has flown by and I've been busy with the Red Dragons this afternoon! They've been putting on a brilliant puppet show of Cinderella, and the older children acted out the story in role play. I must say that Morgan Monteith made a fantastic 'Cinders' – and she's an expert floor sweeper! The Green Beans and the Blue Smurfs have been continuing their study of magnificent monarchs, particularly the Tudors. There's some brilliant report writing going on, and the Smurfs have been working on the genre of biography.

We are celebrating some of our motorcycle champions this week. In the Ripon Motorcycle Club 2013 Championship, Monte Andrew came third in the 'Small Wheels' category, and Conrad Andrew came second in E-Class – well done to them both!

**Richmond School Open Evening** – this has been postponed due to the possible effects of industrial action on 1<sup>st</sup> October. It will now take place on 7<sup>th</sup> October.

**Football Club** – a couple of notices here. We're delighted to have more children than ever attending our after school football club. However, this has brought with it certain challenges! We'd love to have a volunteer or two who might be able to help PC Godfrey (or Miss Crisp) to run the club – with so many players it's hard to keep both games running smoothly and refine skills. If you might be able to help, please contact the office. The second issue relates to shoe laces! The other day, 20 minutes was spent lacing pupils' boots on, which obviously takes staff away from working with the children on their game. We are asking that, if your child attends the club, could you please aim for them to be able to tie their own laces by half term. After half term, if they still are unable to tie their laces, we ask that they come in trainers or other footwear that they can manage please. Many thanks.

**Red Class** – unfortunately, Mrs. Jackson will not be at school for the next two weeks. We are arranging supply cover, and Mrs. Stanwix and myself will continue to ensure that continuity is given to the children.

## Dates for the Diary:

Tuesday 1<sup>st</sup> October – 5-6pm, Netball Club, Y3-6, Richmond School

Thursday 3<sup>rd</sup> October – 3pm, Football Club

## And Finally...

Mrs. Watson has asked me to mention to you all that she has a litter of 4 kittens who need homes – 3 boys and 1 girl... should you wish for a furry companion, please contact her!

Every blessing,

A handwritten signature in black ink, appearing to read 'Rob Campbell'.
