Science

Reports on fitness and health:

- Identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood
- Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function
- Describe the ways in which nutrients and water are transported within animals, including humans.

Reporting on animals from geographical locations

Focus :

Food and Fitness

Divali

How Do We Celebrate in Britain?

Computing

Multimedia:

- I can use photos, video and sound to create an atmosphere when presenting to different audiences.
- I am confident to explore new media to extend what I can achieve.
- I can change the appearance of text to increase its effectiveness.
- I can create, modify and present documents for a particular purpose.
- I can use a keyboard confidently and make use of a spellchecker to write and review my work.
- I can use an appropriate tool to share my work and collaborate online.
- I can give constructive feedback to my friends to help them improve their work and refine my own work.

Music

- Play and perform in solo and ensemble contexts, using their voices and playing musical instruments

PE

- Invasion Games: Netball and Rugby

D&T

- Understand and apply the principles of a healthy and varied diet
- Prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques
- Understand seasonality, and know where and how a variety of ingredients are grown, reared, caught and processed.

Geography

- Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities
- Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time
- Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)
